Hello from Downtown Milford!

150 years have come and gone – and what better way to celebrate than by spreading holiday cheer? Thinking about this anniversary reminds me of the wonderful memories I've had around town and sparks my excitement to see it flourish in years to come.

'Tis the season for holiday celebrations! Every year, I am more and more impressed with the creativity and complexity of the window displays at The Big Reveal. Whether you join us every year or this is your first time attending, the holiday magic in the air is undeniable. It will absolutely get you into the holiday spirit! We're also kicking off our Dinner's On Us program Thursday night, which is one of my favorite parts about the holidays. Giving back to others and seeing their gratitude is extremely heartwarming. Mark your calendars for Give Back Friday, Small Business Saturday and the Christmas Open House. Did I mention Santa Clause is coming to town?

Can't wait to see you downtown! And while you're there, make sure you checkin on Downtown Milford's Facebook page for the chance to <u>win a prize</u> that will start your holiday season off right.
